

**LRCA General Secretary's Report**  
**John Pattinson – 6<sup>th</sup> June 2017**

Firstly I'd like to thank Latimer Club for hosting the 2017 LRCA AGM.

After taking over from Jim Bingham at the last AGM I'd like to thank him for producing last year's minutes.

This year we have run short of a League secretary, the role has been spread between the League committee, I helped out by writing the handbook and asking for league entries, this year was the first year we have tried producing the handbook online.

The rules remained the same but some changes have been proposed through the year and at this AGM so the need for a league secretary is important for the upcoming season.

Also Graham Booley is retiring as first team captain this year. I'd like to thank him on behalf of LRCA for the many years hard work fielding county teams.

So next year we have two vital positions vacant and need people to fill them.

I provided details to the ECF for Leicestershire's inclusion into the ECF yearbook.

I helped out at the Leicester schools congress at Leicester Grammar school which was excellently run and had a very large turnout of juniors from the county and surrounding area. I'd like to thank Paul Mottram for running the event.

I've got my 5 yearly trip to Australia booked so will be the other side of the world during December so any queries please contact the LRCA chairman.
